## PROFESSIONAL SUMMARY

I'm currently a student attending the University of California Riverside, and am studying computer science. I've previously attend Moorpark College for four years and have earned Associate Degrees for Physics and Mathematics. During my time at school I have also taken many course in computers covering; software construction, algorithms, data structures, object oriented programming, c++, java, and python. I'm also a member of the Moorpark computer science club and spend free time researching new programming techniques and tools.

## SKILLS

- C++ (OOP, algorithms/data structures)
- Algebra, calculus (entire series with analytical Geometry), differential equations, and
- Unit Testing (\*using google "gtest" framework)
- Java
- MatLab
- Physics (electromagnetism, waves, and optics, thermodynamics, Newtonian mechanics,)
- Python
- Introduction to linear algebra

## EXPERIENCE

Delivery Driver | Domino's Pizza | Simi Valley, CA

February 2016 - Current

- Delivering food to customers Taking orders and handling money Customer Service.

Delivery Driver | East Coast Pizza Company | Simi Valley, CA

July 2014 - February 2016

- Delivering food to customers Taking orders and handling money Customer Service Taking Inventory.

## EDUCATION

Associate of Science  
Moorpark College, Moorpark, CA

January 2018

Associate of Science  
Moorpark College, Moorpark, CA

January 2018

Associate of Science  
Moorpark College, Moorpark, CA

January 2018

## INTERESTS

Activities and Honors ,  
Member of the Moorpark Computer Science Club (2015-2018)  
Member of the Moorpark Math Club (2016-2018)  
Member of the Moorpark Space Club (2017-2018)
